Involving local people for accommodation and activities, serving organic food based on the permaculture design principles and creating an inspiring environment close to Stockholm, with respect for nature.**

Stilleben offers different types of accommodation for a holiday made to measure. You can enjoy a stay at our lifestyle hotel, rent a family holiday cottage in the village or experience true silence on our island retreat KABIN. Our properties with typical Swedish furnishings are comfortable and well equipped.

Different types of board are possible, including breakfast and meals prepared with organic and locally grown ingredients in collaboration with local farmers and shops.

Next to silence and nature, Stilleben offers a wide range of activities in Åmot and its surroundings. In addition to hiking, cycling or swimming in one of the many lakes, there are also more adventurous options. Bear or moose watching safaris, hiking tours, Icelandic horses, dog sledding and more.

We also offer wellness packages, jacuzzi and a sauna, where guests can recharge and indulge near the water. Åmot is also the perfect homestead to discover three regions in Mid Sweden: Gästrikland, Hälsingland and Dalarna. Each region has its specific natural features, local sights and cultural activities.

### BY TRAIN

From Stockholm Arlanda or Stockholm Central Station you have frequent connections to Ockelbo, the nearest trainstation. Some of the connections are direct, but most connections require a change in Gävle. Trains should always be booked and paid upfront. When you arrive in Stockholm Bromma (BMA) or Skavsta (NYO) you will need to travel by bus (Flygbussarna) to Stockholm Central Station (Stockholm C). Further information and tickets are available on the official website: [www.sj.se](http://www.sj.se). A taxi pick-up at Ockelbo station needs to be pre-booked.

### BY CAR

Åmot is situated about 200 kilometers north of Stockholm. Traveling by car from the European continent, you follow the E4 highway via Malmö, Helsingborg to Stockholm. From Stockholm or Arlanda, follow the E4 towards Sundsvall. Take the exit Ockelbo and drive straight ahead towards Åmot. When you pass the Åmot sign, follow the road and turn left after 800 meters into Bruksvägen. You will reach the hotel after 100 meters, located on the left. From there turn right into the car park and the hotel parking spaces are signposted on the left hand side. The parking space for disabled drivers is reserved next to our two electric charging stations, near the front entrance.
